

HOW DO I REACH STYNER+BIENZ FORMTECH LTD. IN UETENDORF NEAR THUN?

Uetendorf plant

Traveling by road from Zurich/Basel/ Bern/Ticino/Germany/Austria

Drive along the A1 freeway in the direction of Bern and at the «Bern-Wankdorf» freeway interchange turn off toward Thun (A6). Leave the freeway 26 km after Bern at the «Thun Nord» exit and continue in the direction of Uetendorf. At the traffic circle turn left toward Uetendorf and drive straight ahead. Turn left after the underpass (railway bridge) and then right at the next fork. Drive toward the round, red building of «Sarner Cristall». After about 300 meters, turn left in front of the «TOP CAR» company into the industrial estate. In front of the gate to the factory building, park in the car park

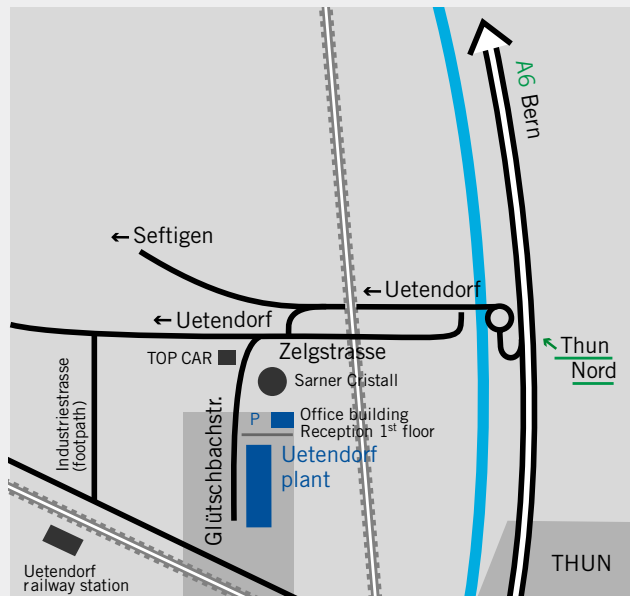

on the left close to the Glütschbach restaurant, which is located on the ground floor of the office building. Reception for the Uetendorf plant is on the first floor.

Traveling by road from the Bernese Oberland/Valais/Lucerne

Drive along the A6 freeway in the direction of Thun/Bern. Leave the freeway at the «Thun Nord» exit. At the first traffic circle turn left toward Uetendorf. At the second traffic circle continue driving straight ahead toward Uetendorf. Continue as described above.

Traveling by train

You can reach Uetendorf with the «S3» S-Bahn (suburban rapid rail transit) service from Bern via Thun or direct via Kehrsatz, Belp. Go to www.sbb.ch for timetables.
